REVENUE (Ser.III) DEPARTMENT

G.O.RT.No. 116

Dated:16-02-2015
Read the following.

From the Chief Commissioner of Land Administration,
AP, Ref.No.CMRO-3/441/2014, dt.24.01.2015.

* * *

ORDER:

The Chief Commissioner of Land Administration, AP in his letter read above has stated that the data in Webland has been ported from the Land Record Management Informative System data. Tahsildars have digitally signed the Webland records and these digitally signed records are being used for electronic delivery of various land related certificates like Adangal, ROR I B etc., through Meeseva. As the data in the Webland was not up to date at the time of porting from the Land Record Management Informative System, several problems are being confronted at field level and several issues are being pointed by Joint Collectors and DIO's (NIC) in meetings and Video Conferences. Rectification module has been launched on 18.08.2014 in Webland Software to make corrections in the existing data of Webland. As per the Rectification module, the Tahsildars can carry out the rectifications with the prior approval of the Joint Collector and by following the provisions of ROR Act and Rules scrupulously.

2. The Chief Commissioner of Land Administration, AP has further stated that till date, 19.5 lakh corrections have been done in rectification module. To facilitate further purification of land records, the Webland records along with the corrections done up to 31.01.2015 may be opened to the general public. The Citizens may be given access to all the land records and they may be allowed to file requests for change at Mee Seva Centres free of cost. If the changes requested pertain to the Adangal record, they can be done through the rectification module and if the changes pertain to change of ownership, they can be done through mutation option. He has further proposed that the Tahsildars will have to verify and dispose the requests filed by the Citizens within one month.

3. Government, after careful examination of the matter, hereby permit the Chief Commissioner of Land Administration of A.P, to provide the general public the access to the webland and to take further action as proposed in para 2.

4. The Chief Commissioner of Land Administration, AP, issue detailed operational guidelines and take all further necessary action as required.

(BY ORDER AND IN THE NAME OF THE GOVERNOR OF ANDHRA PRADESH)
